

In My Shoes: 24 Hours with Crohn's or Colitis

The app that helps your friends, family and colleagues understand what it's like to live with Crohn's or Colitis

Ever wished that, just for a day, your friends and family could understand what it's like to live with Crohn's or Colitis?

“

In My Shoes is an amazing app.

It really made me think about how much I have underestimated the impact of IBD on the patient's life and all aspects of it. **”**

Prof Matt Brookes, Consultant Gastroenterologist,
Royal Wolverhampton NHS Trust
