

## Local Grant Applications - procedure for Local Networks

| # | Action  | Responsibility  |
|---|---|-----------------|
| 1 | Network contacts volunteering team about submitting a local       | Lead/finance    |
|   | grant/expenditure request for consideration.                      | volunteer       |
| 2 | Volunteering team check application meets agreed criteria as set  | VLNO/SSM        |
|   | out in the policy before proceeding further.                      |                 |
| 3 | Network confirms they have sufficient funds available to fund the | Lead/finance    |
|   | grant/expenditure   | volunteer       |
| 4 | Network completes application form and submits to network inbox   | Network         |
| 5 | SSM makes decision in consultation with SAE Director and informs  | SSM/SAE         |
|   | Local Network of outcome by return email confirmation. Decision   | Director        |
|   | includes confirmation of how application meets/does not meet      |                 |
|   | criteria.   |                 |
| 6 | Once a grant is formally approved, volunteers make arrangements   | Link            |
|   | with local Treasurer (chaired Networks) or National Coordinated   | volunteer/local |
|   | Network Treasurer for payment to be made to appropriate payee.    | treasurer       |
| 7 | Volunteers confirm arrangements for reporting back on the grant   | VLNO            |
|   | to local members via newsletters, social media etc                |                 |
| 8 | Volunteers confirm arrangements for receiving feedback from the   | VLNO            |
|   | grant recipient so they can report back to charity                |                 |
| 9 | Volunteers ensure all local grants expenditure is recorded        | SSM/Finance     |
|   | appropriately in the End of Year Returns                          |                 |
